**Bold = US Preventive Services Task Force (USPSTF) A or B Recommendation or CDC recommendations for immunizations.**

*Current evidence is insufficient to assess the balance of benefits and harms of service.*

√ = All adolescents + = Adolescents at risk

For more information, please view the [appendix](#), and visit the [official website](#).

\* **Bright Futures**: recommendations are for annual visits, up to age 21.

\*\* [American Congress of Obstetricians and Gynecologists](#) (ACOG) recommendations, up to age 26.

\*\*\* The varicella vaccine should **NOT** be given to patients with these [contraindications](#).

† USPSTF update in progress.
