The AYAH Center is supported (in full or in part) by Grant # U45MC27709 from the Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (Title V, Social Security Act), Division of Child, Adolescent and Family Health, Adolescent Health Branch.
About the AYAH Center

With funding from HRSA’s Maternal and Child Health Bureau, the AYAH-NRC supports MCH investments in the health of adolescents and young adults.

- Increase capacity of public health & health care systems to improve care to AYA
- Increased quality AYA preventive visits
Learning Objectives

The participant will be able to

• define the outcomes generated (within Mississippi) to date from SBHC quality improvement efforts in the AYAH CoIIN.

• identify the needs, insights, and perspectives of SBHC practices of Title V, educational partners, as well as the youth themselves.

• formulate opportunities in which their affiliated SBHC sponsor organization (or related partner) can work with MCH programs in their state to emphasize and implement broader efforts to advance the health of adolescents in their communities.

State MCH Action Plans

• Evidence-Based Strategy Measures → ESMs
• Some states call out SBHCs specifically!
  • Others list strategies in which SBHCs excel

Collaboration galore!

- Two national CollINs (Collaborative Improvement & Innovation Networks) supported by the MCHB that have common focus on the AWV
Lanier High School SBHC

GROUNDWORK AND TAKE-OFF IN MISSISSIPPI
How the partnership began...

- Lanier High Teen Wellness Clinic and the MSDH Adolescent Health Branch
  - Fall 2015 →

  Clinic opened and MS joined inaugural AYAH CoLlN

- Collaborated with University of Michigan Adol Centered Environment (ACE) Model for baseline assessment of youth-centered care and follow-up assessments
And what did we DO?

• And what we are we doing….
  • Patient Satisfaction Survey
  • Administration Relationship
  • Building a state Alliance!

• Partnership Centered Around:
  • Increasing EPSDT visits for Medicaid students
  • Identifying key areas for improvement in youth-centered care
    • Confidentiality
    • Clinical environment

• Transition Supports
Value of Title V + SBHC

• Share in building collaboration/alliance with other partners who serve these youth and families
• Title V beyond Adolescent Health
• Title V entities can provide support in systems partnerships, but we also need help connecting to clinic level realities and needs
  • Medicaid, payers, advocacy groups
• Mutual goals can be met
  • Engagement with young people, inclusion in direct care service improvement, access to new tools and concepts
What you can do now and then later

YOUR TURN!
Summer School Homework

• Find out if your state is part of the AYAH-CollIN and/or selected NPM #10
• Learn more about how Title V is addressing adolescent health in your backyard
• Connect with your MCH friends at the state level
• Share (and brag) about what you can offer to them!
