- **Paula Fields, MSN, BSN, RN**

Senior Program Manager, School-Based Health Alliance

- Peggy McManus

- Rina Ramirez Alexander

- Diana Robinson

- Alexandra Kuznetsov

- Breena Holmes

# School-Based Health Alliance

## Focus of work:

- Work to improve health status of children
- National voice for school-based health care
- Provide the field with high-quality resources, training, and motivation and inspiration to excel in their work

## Goals:

- Increase the number of SBHC programs across the country
- Assure excellence in all SBHC programs

**John Schlitt**  
President

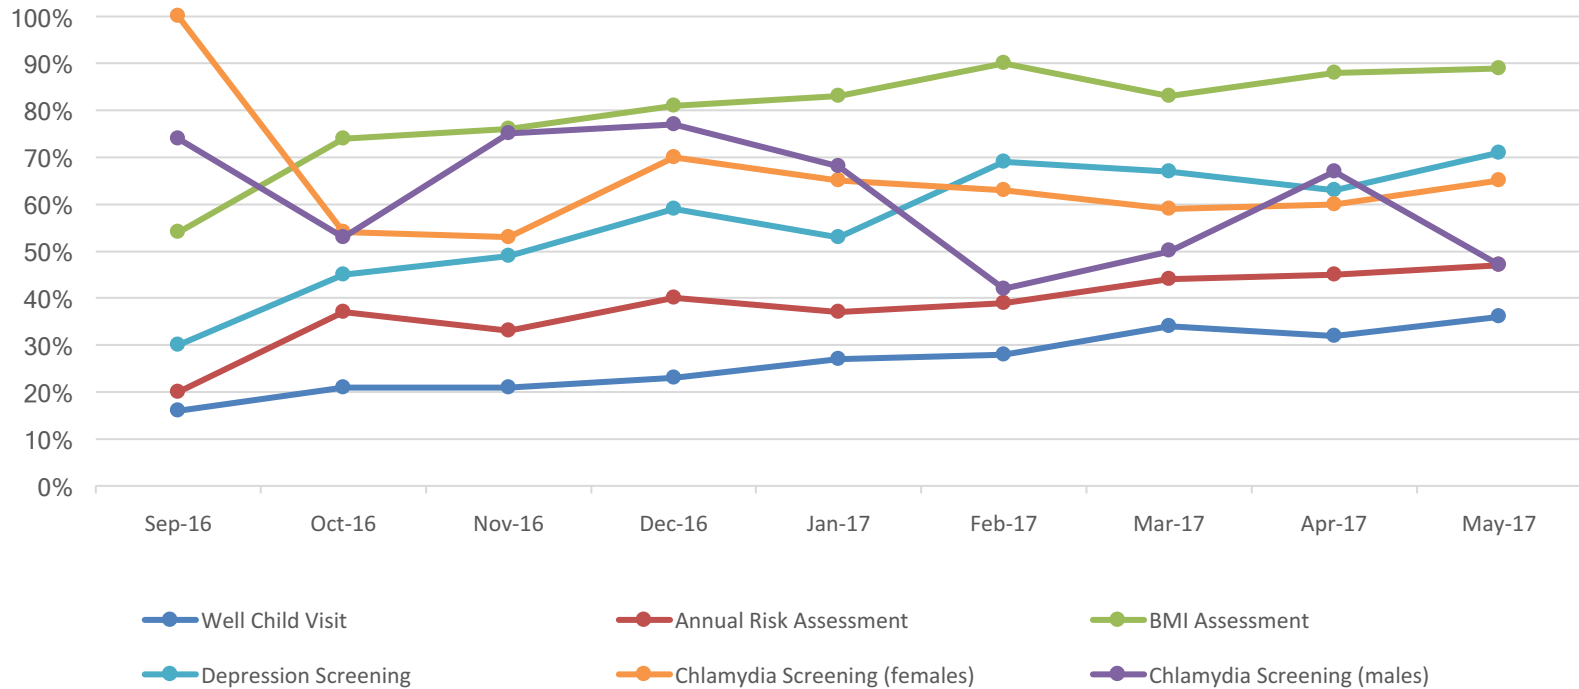

**Paula Fields**  
Senior Program  
Manager

# Alignment with AYAH National Strategies

Preliminary Results - NQI National Quality Initiative  
 CoIIN Performance Measures- Medians

Representing: 46 SBHCs; 4 States; 16 Sponsoring Agencies

# State Title V personnel & MCHB-supported partners

- John Schlitt  
Paula Fields
- **Peggy McManus, MHS**  
Co-Project Director, Got Transition
- Rina Ramirez Alexander
- Diana Robinson
- Alexandra Kuznetsov
- Breena Holmes

# Got Transition

- Name: Peggy McManus
- Title: President, The National Alliance to Advance Adolescent Health, and Co-Director, Got Transition
- Focus of work: Encourage practice and policy changes to support transition from pediatric to adult care

# Alignment with AYAH National Strategies

*Describe how your organization's activities best align/overlap with one or more of the National Strategies...*

- Example 1: New effort (with UCSF) to incorporate transition into adolescent and young adult well visits
- Example 2: New payment roundtable designed to promote commercial and public payment reforms related to health care transition

# State Title V personnel & MCHB-supported partners

- John Schlitt  
Paula Fields
- Peggy McManus
- **Rina Ramirez Alexander, MD**  
Chief Medical Officer, Zufall Health
- Diana Robinson
- Alexandra Kuznetsov
- Breena Holmes

- Name: Rina Ramirez, MD, FACP
- Title: Chief Medical Officer
- Focus of work: Provide access to affordable and quality health care to AYA in a culturally-competent, safe and respectful medical and dental home.

# Alignment with AYAH National Strategies

- By offering extended hours, evenings and weekend appointments and dedicated care teams to AYA, Zufall strives to increase access to preventive services.
- By participating in national collaboratives, Zufall improves the quality of care to AYA in areas such as sexual health, HIV prevention, vaccinations, depression, obesity, and oral health.

# State Title V personnel & MCHB-supported partners

- John Schlitt  
Paula Fields
- Peggy McManus
- Rina Ramirez Alexander
- **Diana Robinson, MA**  
Director of Compliance and Programs,  
Central Maternal and Child Health Consortium
- Alexandra Kuznetsov
- Breena Holmes

# Central Jersey Family Health Consortium (CJFHC)

- Name: Diana Robinson
- Title: Director of Compliance and Programs
- Focus of work: The provision and coordination of a regionalized network of maternal and child health services
  - Includes the coordination of health services for women, children and families; provision of professional and community education; and the ongoing assessment of data related to birth outcomes in Central NJ.

# Alignment with AYAH National Strategies

*CJFHC best aligns/overlaps with NST #3: Improve state/systems-level policies and practices...*

- Example 1: Adopt and promote Bright Futures/AAP Periodicity Schedule:
  - Home visitation programs (i.e., Parents as Teachers, Healthy Families)
  - Early Intervention (eligibility and evaluation coordination); Service coordination
  - Immunizations
  - Maternal Depression
- Example 2: Integrate Bright Futures: Guidelines for Health Supervision of Infants, Children, and Adolescents
  - Prenatal Visits
  - Safety and Injury Prevention
  - Healthy Sexual Development and Sexuality

# State Title V personnel & MCHB-supported partners

- John Schlitt  
Paula Fields
- Peggy McManus
- Rina Ramirez Alexander
- Diana Robinson
- **Alexandra Kuznetsov, RD**  
Manager, Children with Special Needs Initiatives  
National Center for Medical Home Implementation
- Breena Holmes

# National Center for Medical Home Implementation (NCMHI)

Works to ensure that all children and youth have a medical home

Collaborates with federal, state, and other agencies/ stakeholders

Adapts and responds to new and emerging issues in health care, public policy, and technology

# Alignment with AYA National Strategies

- Improve access and uptake of preventive services
  - “Salud Para Todos” project
  - Evidence-informed promising practices
- Improve quality of preventive services
  - Technical assistance and support
  - Quality improvement initiatives
- Improve state/systems-level policies and practices
  - Fostering partnerships between Title V programs, Medicaid agencies, practices, family organizations
  - Development of state-based resources
  - National Center for Care Coordination Technical Assistance

# AAP Family Engagement Activities

- Staff Family Engagement Work Group
  - Professional development workshops for staff
  - Technical assistance and support to staff on family engagement efforts
  - Integration of families in development of AAP policy, CME activities, and review/development of consumer-facing products
- Family Partnerships Network
  - Friends of Children-funded “Committees and Family Engagement (CAFÉ) Program”
  - Planning and hosting webinars related to family engagement
  - Creation of a virtual family advisory panel
  - Partnerships with state AAP chapters to enhance family engagement

Director, Maternal and Child Health, Vermont Department of Health

# Vermont Department of Health

- Name: Breena Holmes, MD
  - *presented by Rachel Wallace- Brodeur, VCHIP*
- Title: Director, Maternal and Child Health
- Focus of work: Title V and EPSDT

# Alignment with AYAH National Strategies

*Describe how your organization's activities best align/overlap with one or more of the National Strategies...*

- EPSDT
- Title V

Aspects of EPSDT, including efforts related to outreach and informing and the periodicity schedule, exists in the MCH division of the Health Department. This allows for important and coordinated collaboration between EPSDT and Title V activities.

# EPSDT

- **Bright Futures, 4<sup>th</sup> edition**
- **Health Department School Liaisons**
- **Schools and School Nurses**
- **Vermont Child Health Improvement Program**
- **Primary Care and Public Health Integration Work Group**

# Title V

- **AYAH CoIN (1<sup>st</sup> and 2<sup>nd</sup> Cohort)**
- **VT Rays (Raise Awareness for Youth Services)**
- **Getting to Y and M3: Mindset, Metacognition and Motivation**
- **School District Grant: AWCV and EHR**
