

adolescents & young adults

do they still need a WELL-VISIT?

a.k.a.
Annual Visit
Well-child Visit
Yearly Check-Up
Wellness Exam
~~Sports Physical~~
not the same thing

what?

This preventive health care visit focuses on healthy physical and emotional growth. It includes a health assessment, physical exam and offers guidance on teen and young adult health and well-being.

1x every year

when?

Teens & young adults should receive a well visit annually.

where?

Visit your family practice doctor or pediatrician – or ask at any local clinic.

who?

At a well-visit, young people meet with health experts **privately** and **together** with their care-givers.

care team

Doctor
Nurse
Physician's Assistant

home team

Teens
Young Adults
Families & Care Givers

why?

- Advocating for and managing health
- Navigating the health care system
- Building a relationship with health provider

adolescence is a time of **physical, social and emotional** growth with unique **health** challenges and opportunities
