~~Sports Physical~~
not the same thing

what?

This preventive health care visit focuses on healthy physical and emotional growth. It includes a health assessment, physical exam and offers guidance on teen and young adult health and well-being.

1x every year

when?

Teens & young adults should receive a well visit annually.

where?

Visit your family practice doctor or pediatrician – or ask at any local clinic.

who? At a well-visit, young people meet with health experts **privately** and **together** with their care-givers.
